## Hang Up on Scammers!

*Protect Yourself from Telephone Fraud*

Telephone scammers try to steal your money or personal information through phone calls from real people, robocalls, or text messages. Protect yourself by following these tips for telephone fraud.

### DO:

- Register your phone number with the National Do Not Call Registry. Register online or by calling 1-888-382-1222.
- Be wary of callers claiming you've won a prize or vacation package.
- Hang up on suspicious phone calls.
- Be cautious of caller ID; scammers can change the phone number that shows on your caller ID, otherwise known as "spoofing."

### DON'T:

- Don't say anything if the caller asks "Can you hear me?" This is a common tactic for scammers to record you saying "yes" and use it as proof that you agreed to a purchase or credit card charge.
- Don't provide your credit card number or bank account information.
- Don't send money if a caller tells you to wire money or pay with a prepaid debit card.
